

pursuant to Public Law 108-132, Section 128, appoints the following individual to the Commission on Review of Overseas Military Facility Structure of the United States: Major General Lewis E. Curtis III, USAF (Retired).

ORDERS FOR TUESDAY, FEBRUARY 3, 2004

Mr. ALEXANDER. Mr. President, on behalf of the leader, I ask unanimous consent that when the Senate completes its business today, it adjourn until 9:45 a.m., Tuesday, February 3. I further ask that following the prayer and pledge, the morning hour be deemed expired, the Journal of proceedings be approved to date, the time for the two leaders be reserved for their use later in the day, and the Senate then conduct a period of morning business until 10:30 a.m., with 30 minutes under the control of Senator GRAHAM of Florida and the remaining time under the control of the majority leader.

I further ask that the Senate stand in recess from 12:30 until 2:15 p.m. for the weekly party luncheons.

The PRESIDING OFFICER. Without objection, it is so ordered.

PROGRAM

Mr. ALEXANDER. On behalf of the leader, for the information of all Senators, tomorrow, at 10:30 a.m., the Senate will begin consideration of S. 1072, the highway bill. The bill managers will be here at 10:30 tomorrow morning, ready to work through opening statements and to begin the amendment process. Votes are possible during tomorrow's session.

Mr. REID. Mr. President, if my friend will yield, the opening statements have been pretty well completed. Senator INHOFE has given one, I have given one, Senator JEFFORDS has given one, and Senator BOND. We are the ones moving this bill through the Senate.

I hope everyone within the sound of our voices will understand, if people have statements that should be given on the bill, they should come forward and give them. Otherwise, I hope those with amendments can come forward and offer amendments.

I say to the Senate that we have a relatively short period of time to finish this bill. It is a very big bill, \$255 billion, but the majority leader and the minority leader have indicated that we have only this week and next week to complete this most important legislation.

I say through the Chair to the distinguished acting majority leader, formerly Governor of one of the very big States population-wise in our country, Tennessee—a Governor understands more than anyone else, I believe, the importance of these highway moneys and what they mean to a State—if we don't finish this now and have to go to another year-long bill, it totally interferes with the ability of the highway planners to do their work.

I hope everyone understands that we have just a short period of time to complete this bill and that everyone will come forward if they have some problems with the bill, and if they want to change it some way, they can move on it as quickly as possible.

ADJOURNMENT UNTIL 9:45 A.M. TOMORROW

Mr. ALEXANDER. Mr. President, if there is no further business to come before the Senate, I ask unanimous consent that the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 6:57 p.m., adjourned until Tuesday, February 3, 2004, at 9:45 a.m.
